Dear Students and Parents,

We know that this past week has been a difficult one with all of the changes that seem to be happening every minute. For middle schoolers, change is something we know a lot about, and something we can handle together. We imagine that you have all had lots of questions. This is understandable and we want you to know that we are here to support you in every way possible.

We all miss seeing you at school every day, that is for sure. But we are all in this together. Next Monday, March 23rd, we will begin distance learning. Your teachers will upload lessons and assignments on Google Classroom. Please make sure to check each of your Google Classrooms **daily** for your assignments. If you have any problems logging on or accessing the work, let us know immediately. We want to make sure that you have access to learning and don't forget about us! Once we return to school, your teachers will make sure that you continue to learn and be successful for the rest of the school year. We also want you to know that we will do everything possible to ensure that you continue to receive a high quality education. Feel free to reach out to us for any questions on concerns.

*****IMPORTANT*****

All assignments are due according to what your teacher has indicated on the assignment. You are responsible for completing ALL of your assignments, just like if you were physically at school. The assignments will be graded and entered into TeacherEase and on your report card.

Google Classroom Assignments:

- For each assignment, your teacher will post a Lesson Plan on Google Classroom.
- All of the information you need for the lesson will be within the lesson plan.
 - This includes links to outside sources, worksheets, videos, interactive websites, etc.
- The information needed to complete the assignment will be within the lesson plan.
- Daily assignments **must** be completed by **7:00 PM** each day.
- ELA, Writing, and Social Studies work will be due Wednesdays and Fridays.
- Science and Math work will be due Tuesdays and Thursdays.
- All other work will be due at the discretion of the teacher.

****MAKE SURE YOU LOOK AT THE ENTIRE LESSON PLAN TO COMPLETE ALL NECESSARY WORK!****

We look forward to working with you during this difficult time.
